

Adnan Siraj

Swat, Pakistan | +92 303 919 4966 | adnan.siraj@rightsintoreality.org

Professional Summary

Law graduate (CGPA 3.97/4.0, Universitas Jambi, full merit scholarship) working at the intersection of international law, accountability mechanisms, and emerging technology, with published research on IHL violations, civilian protection, refugee rights, and AI in the prosecution of transnational crimes. Founder and President of The Handshake Initiative and Co-Founder and President of Rights Into Reality Organization, both advancing rights and SDG-focused programming across Pakistan, Indonesia, and The Gambia. Focused on accountability gaps at the intersection of technology and international law.

Education

Universitas Jambi (UNJA), Jambi, Indonesia

July 2022 – Dec 2025

Bachelor of Law (LL.B.), CGPA: 3.97/4.0

Thesis: Violations of International Humanitarian Law in Yemen: Impacts on Civilians and the Crisis of Internal Displacement

Analysed UN and NGO documentation to develop a legal matrix of IHL and IHRL violations and examined political barriers to accountability.

Government Higher Secondary School, Fatehpur, Swat, Pakistan

2019

Intermediate Education (Science)

Leadership & Initiatives

Rights Into Reality Organization

Feb 2026 – Present

Co-Founder & President

- Co-founded a rights-focused civil society organisation advancing legal rights awareness, education, and community-level advocacy, building the organisation's institutional presence including its website, governance structure, and public communications.
- Led a team to design and deliver community and school-based programming.
- Directed school workshops on climate change, legal rights, digital literacy, and community service at Abdali Public School and Global International School.
- Organised community environmental initiatives, including cleanliness and plantation drives, in coordination with local officials and community members.

The Handshake Initiative, Global

Apr 2024 – Present

Founder & President

- Founded an international youth-led organisation catalysing multi-stakeholder partnerships for the UN SDGs in Pakistan, Indonesia, and The Gambia.
- Designed and led the Mind Matters programme, supporting 183 university students experiencing mental trauma and bullying through gender-separated sessions and counselling referrals.
- Negotiated shared priorities and resolved competing demands among chapter leads across three distinct national and legal contexts, maintaining programme coherence in Pakistan, Indonesia, and The Gambia.

Research & Professional Experience

Alkhidmat Foundation, Pakistan

June 2026 – Present

Intern

- Participating in a six-week hybrid youth internship program, contributing to program initiatives while producing structured weekly progress reports.
- Applying legal research and analytical writing skills within a civil-society and community development context.

International Committee of the Red Cross (ICRC) – Regional Office, Jakarta

Oct 2025

Research Stay (1 month)

- Conducted thesis research on Yemen IHL violations using ICRC library/documentation.
- Analysed IHL civilian protection mechanisms and armed conflict documentation.
- Developed legal matrix of IHL/IHRL violations from ICRC/UN sources.

Hukumonline, Jakarta, Indonesia

Apr 2025 – Jul 2025

- Conducted comprehensive legal research on Indonesian regulatory frameworks and judicial precedents.
- Drafted analytical articles on emerging legal issues to enhance public legal literacy.
- Analysed regulations, court decisions, and legislative trends affecting Indonesian jurisprudence.
- Contributed to the development of accessible legal resources for practitioners and the public.

The Legal Quorum, India (Remote)

Dec 2024

Research Intern

- Authored research-based legal articles on international law topics and contemporary legal issues.
- Developed detailed case briefs analysing landmark international tribunal decisions.
- Strengthened analytical frameworks for interpreting complex judicial reasoning and legal precedents.

Global Citizenship Foundation, Remote

Aug 2024 – Oct 2024

MIP Cohort 17 Research Intern

- Analysed national and international education policies using comparative legal frameworks.
- Conducted research and advocacy for education policy reform projects.
- Developed evidence-based policy proposals to strengthen global education systems.

Black Professionals in International Affairs (BPIA), USA (Remote)

May 2024 – Aug 2024

Professional Development Intern

- Researched diversity, equity, and inclusion in international affairs institutions.
- Supported cross-cultural projects focused on representation of underrepresented communities.
- Participated in professional development workshops and received mentorship from senior practitioners.
